Hotel Liberty Opens in the Black Forest, Offenburg, Germany

A former prison for radical thinkers has been reimagined as a destination hotel in the city of Offenburg, just over the French border. There's nothing cell-like about the 38 rooms and suites, which range in size from 183 to 258 square feet and feature oak floors, distressed leather, and handcrafted furnishings by Knoblauch and local artisans. A rooftop urban garden is a subtle nod to the building's history as a place of communal activity and the name of the restaurant, Wasser & Brot, is a reference to the inmates' typical diet of water and bread. The menu, created by Michelin-star chef Jeremy Biasiol, is modern French.
